

# CALLING ON CBD

**A**s CBD continues to be pushed to the forefront of the wellness, skin care, and beauty industry, new products with unique actives and properties continue to manifest. While skin care professionals may still be weary when using CBD, consider these third-party tested, tried-and-true CBD products that are changing the way skin care professionals market and utilize CBD in their practice. From retail purposes to treatment truths, these CBD products are just some of many that are changing the way CBD is used. Tinctures, balms, salves, serums, supplements, cleansers, and more, these CBD healers are part of a new wave.

## REPÊCHAGE

Hydra Dew Pure Oil is a unique facial oil that combines pure laminaria digitata seaweed extract with organic cannabis sativa seed oil, mastic oil, and camellia japonica seed oil to create soft, smooth skin. [repechage.com](http://repechage.com)

## COLOR UP

REMOVE Foaming Cleanser is gentle enough to use on sensitive skin. Hemp seed oil cleanses and works in combination with CBD to decrease the appearance of redness, while organic jojoba and aloe oil add moisture. [colorupco.com](http://colorupco.com)

## HEMPFIELD BOTANICALS

Soothe CBD Face Oil calms sensitive and acne-prone skin with an anti-inflammatory CBD oil blend. Made with healing borage, nourishing hemp, and other selected oils, Soothe Face Oil hydrates temperamental skin without clogging pores. The infusion of chamomile, lavender, and patchouli essential oil further relaxes the skin. [hempsfieldbotanicals.com](http://hempsfieldbotanicals.com)

## CANNIBABE

CBD Body Oil will maintain the feeling of moisturized, soft skin while offering relief to sore muscles and joints. This combination is the perfect blend of skin nourishing oils; pure CBD oil, organic coconut oil, jojoba oil, and vitamin E make sure the skin has the best. It is free from chemicals and harmful ingredients. [cannibabe.com](http://cannibabe.com)

## ELINA ORGANICS

CBD Ageless Riche Liposome Face Cream uses liposome-encapsulated CBD to deeply hydrate and restore the skin. It contains an organic blend of whole fruit extracts (watermelon, papaya, green apple, and lemon) with a powerful combination of antioxidants, natural vitamins, and alpha hydroxy acids to renew and brighten complexions. ## FARMHOUSE FRESH GOODS

New Groove Hemp Wash Gel Cleanser is made with three soothing botanicals: calming, cannabinoid-rich, full-spectrum Hi-Bio hemp oil, farm-grown microkale extract, and green tea extract. Each bottle contains 60 milligrams of calming, brightening, and complexion-perfecting CBD. [farmhousefreshgoods.com](http://farmhousefreshgoods.com)

## DOCTOR BABOR

Phyto CBD Serum is a soothing CBD serum. Lightweight and silky, this serum immediately soothes, calms, and protects irritated skin. This serum is also key for nourishing the skin's barrier. [us.babor.com](http://us.babor.com)

## RA SKIN COSMECEUTICALS

IllumiColour CBD-Infused LIPS uses high-quality, organically grown, and hemp-based CBD oil to enhance the benefits of the natural remedy oils and hydrate lips. [rhondaallison.com](http://rhondaallison.com)

## NATURE PURE CLINICAL SKINCARE

Luminous Glow CBD Face Oil is deeply moisturizing and nourishing. This exotic face oil restores and enhances skin's natural radiance and beauty. It delivers immediate results with a holistic plethora of antioxidants, omegas, and a 99.84% CBD isolate. [naturepure.com](http://naturepure.com)

## SPERO CBD

SPERO CBD Capsules are an eco-friendly, organic, and sustainable CBD product that uses hemp harvested from farms in the United States. While CBD can be used for a myriad of purposes, these 600 milligrams, easy-to-consume capsules provide a better night's sleep, an improved mental state, memory. [sperocbd.com](http://sperocbd.com)
